

Since the Wisconsin Do-Not-Call Registry/list has been put into effect, we have not been tied up with unsolicited calls.

Before the list was executed our afternoons/evenings were tied up with answering the phone to unwanted calls and saying "we're not interested" and hanging up on whatever group was calling. It was a waste of time for us, as well as, extremely annoying. It was also a waste of time and money for the company calling. If we want information about any company/group, we request it.

We would greatly appreciate your leaving the Wisconsin Do-Not-Call list alone and intact.

Thank you.
